Oregon, Missouri.

FRIDAY MORNING, JAN. 31, 1898.

## RADICAL MEETING.

Whereas, it is generally reported that Hon. Ira C. Busick contemplates the establishment of a court of common pleas in and for Holt county, Mo., during the coming session of the Missouri Legislature, therefore, we, the undersigned, citizens of Holt county, Mo., do earnestly request the Radical voters of Holt county, Mo., to meet at the Court-house in Oregon on the first Monday in February next, for the purpose of recommending some suitable person for Judge of said court.

SOLOMON LEHMER,  
GEO. MCINTYRE,  
WM. KAUCHER,  
W. B. DAVIS,  
E. L. ALLEN,  
J. B. CURRY.

A REGULAR term of County Court commences next Monday.

LOCAL news of importance to the public, from different parts of the county, if forwarded promptly to this office will be paid for.

CASTLE & LEHMER continue to supply the general demand for Boots, Shoes, Over-shoes, Gaiters, Slippers, etc., at their usual low prices.

See the advertisement in another column of a new book, from the press of Jones Brothers & Co., St. Louis, entitled "The Blue-Coats."

WEDNESDAY morning last furnished probably the coldest weather we have had this winter, the mercury ranging fourteen degrees below zero.

LAWYERS are notified that the next issue (Feb. 7th) is the last in which "notices to non-residents" can be inserted for Spring Term of Court.

## TO ORCHARDISTS.

Van Buren's Golden Dwarf Peach is advertised in another column. Fruit-growers will be interested in this advertisement. Send stamp for colored plates of tree and fruit, and also history of variety, or inquire at this office.

## FOREST CITY CARD.

The card of J. W. DEVENLY & Co., of Forest City, may be found in another column. Those in want of those staple articles, Boots and Shoes should give this firm a call. They have but recently opened, and we have no doubt will soon establish for themselves an excellent reputation for liberality and fair dealing. They warrant everything they sell.

## CHURCH FESTIVAL AT FOREST CITY.

We are instructed by the committee having the matter in charge to state that a general festival will be held in the Baptist Church, at Forest City, on Wednesday evening, Feb. 5th. Oysters, and every thing in the line of refreshment will be served. A postoffice will be opened and correspondence invited. The public in general are invited to be present. Assistance that will add to its interest is solicited. The proceeds are designed to purchase a musical instrument.

## CIRCUIT COURT.

Judge Haren convened Court on Monday for the trial of the cases announced last week. The case of J. C. HINKLE, for murder, was continued and the prisoner admitted to bail in the sum of \$10,000. De Long, charged with rape, was convicted and sentenced to five years imprisonment in the penitentiary. Court adjourned on Monday evening. Sheriff Roeker, having in charge ANTHONY De LONG, departed for Jeff. City on Wednesday morning.

## NEW MUSIC.

Messrs. P. L. HUYETT & Son, of St. Joseph, have placed us under obligations for an advance sheet of a piece of music entitled "Lonely Thoughts of By-Gone Days," which they have in press, and will soon be ready. The music, by Prof. Geo. H. BRIGGS, is very good, and is destined to become very popular. Did not our excessive modesty forbid it, we might mention that the words are by—but no matter—the price is 35 cents. Send for a copy and see. The Messrs. HUYETT & Son will send any piece of music published in the United States free of postage on receipt of price.

## A NEW CANDIDATE FOR PRESIDENT.

If Grant goes back on the Radical, Hancock on the Democrats, Johnson on the Conservatives, and the people on all of them, we will then favor the nomination of BLIFKINS, on the following platform:

WHEREAS, KAEK & HERSHBERGER have taken into their firm that old, popular, and efficient merchant, Mr. J. L. ALLEN, and have purchased and are now receiving a stock of goods of every variety in their line, far surpassing all their former purchases, not only in extent but in cheapness; and

WHEREAS, They are now redeeming, and are willing to redeem all forms of Government bonds and greenbacks in goods; and

WHEREAS, They are now fully prepared to purchase all kinds of country produce at the most liberal rates, and in any quantity; therefore

Resolved, That we, the people, regardless of party, are determined to go and see their stock, take them our Corn, Wheat, Pork, &c., &c., and purchase liberally of their goods.

## \$10 REWARD.

The above reward will be paid for the recovery of a pocket-book and contents, lost on Wednesday evening last, at or near my wagon shop in Oregon. Said pocket-book contained over \$80 in money, besides several valuable papers and notes, one for the sum of \$500, upon which some payment had been made. WILLIAM BUNKER.

FAIRBANKS' SCALES were awarded the highest premium at the great "Paris Exposition," and at most of the "Western State Fairs" the present year, and have never failed in fair competition with any others. But what is of more practical value, as showing the estimation in which these scales are held by the public who have known and used them so long, is the fact that the Messrs. Fairbanks' scales have steadily increased for nearly forty years, being the present year largely in excess of any former one.

NO BETTER PROOF REQUIRED.—It has not yet been publicly denied that the Best Chemical Saleratus made by D. B. DeLand & Co., is all that its friends have claimed—that is a pure and wholesome article. This cannot be denied in face of the testimony of chemists and those best qualified to judge. It is much better than Soda.

PROV. BROWN'S Juvenile Concert comes off this evening at Union Hall, Forest City. It will doubtless be a pleasant entertainment, judging from the programme advertised.

## NO USE TO ADVERTISE.

"We are the oldest firm in town, everybody knows us." Do, ha? Reck on you don't know that half the people of Lawrence county are new comers, and that they mostly come from States, whose inhabitants are early and effectually taught to go no place where they are not invited. They naturally loathe that disposition which would reap where it hath not sown. Advertisers support a paper; the paper reflects the business, as well as other interest of the county; seeing the image, people at a distance are induced to come in and settle the county. Shall those who are too niggardly thus to help build up their country, reap the reward of the increased trade? Our interest for the successful building up of the county, naturally arrays us, as publishers, against such unpardonable blindness, inadvertence or consummate meanness as the case may be, and we will fight it legitimately as we will any other contending element against our prospects, to the bitter end. Old fogysism, no matter what shape she assumes has got to get out of the way.—[Spring River Fountain.]

FIVE EASY STAGES TO HELL.—A short route to perdition has been discovered, which is traveled in five easy stages. The first one having been accomplished, the others naturally follow, and are made in quick time. Here is the map:  
1st. Loaf about whisky shops.  
2d. Become terribly Democratic, and worry about niggers and nigger equality.  
3d. Subscribe for the La Crosse Democrat.  
4th. Commit an outrage or a crime, in consequence of which he is compelled to flee the State or go to prison.  
5th. Hell is the next Station, and is reached without unnecessary delay.—[White Cloud Chief.]

## CABINET ORGANS—SEWING MACHINES.

The undersigned is the authorized agent for this locality for the celebrated Mason & Hamlin Cabinet Organs and the Wheeler & Wilson Sewing Machines, the best articles of their respective classes in the world. Prices, the same as at the manufactory, freight added.

CHAS. W. BOWMAN.

BURDETT ORGAN!

In Western Missouri, Western Iowa, Kansas, Nebraska, Colorado, and Utah.

R. W. CARPENTERS' "IMPROVED VOX HUMANA" (Patented June 1st, 1897), the greatest improvement ever introduced into Reed Instruments, which will hereafter be incorporated in the Burdett Organs.

The Improved Vox Humana is a simple device which cannot get out of repair, is entirely noiseless, requires no extra pedal nor machinery of any kind to operate it, and being controlled by a stop may be used not at the pleasure of the performer. In quality of tone, delicacy and sweetness of feeling it is the nearest approach to the human voice.

Another new and important improvement of Mr. Burdett's, the "Harmonic Celeste," is now for the first time applied to these instruments. The "Harmonic Celeste" is a third set of reeds, which by their position on the patent socket board and peculiar manner of voicing, produce that pure ringing like quality of tone so beautiful and melodious that its charming effects can not be described, but must be heard to be appreciated.

In addition to the foregoing, the valuable combination of patent improvements which have so essentially contributed to the great success of the Burdett Organ, will continue to be used in their manufacture.

## CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Physicians, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

FOR CONSTIPATION.—Take one or two Pills, or such quantity as to gently move the bowels. Constipation is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a constipated habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of Constipation, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, belching, and sourness of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

FOR A FORT STOMACH, or Morbid Action of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, RICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCORFICA, ERYSIPELAS, or all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been cured by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health.

Patients' duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Constipation, or alternately constipation and diarrhea, biliousness, feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious cold, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles, and the stimulus which they afford to the vital principle of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a LAXATIVE Pill, this is both careful and useful. No Pill can be made more pleasant to take, and certainly none has been made more efficient for the purpose for which a dinner pill is employed.
